GOLFING IN CAYMAN  
*Book Your Tee Time*

## *Impeccable greens for golfers of all levels*

The Cayman Islands, a peaceful British Overseas Territory, offers that luxurious blend of sun-kissed beaches, calm turquoise seas and boundless experiences. Heralded as “the Culinary Capital of the Caribbean,” Cayman offers world-renowned dining along its world famous and award winning Seven Mile Beach. Our islands’ rich history, vibrant arts and spectacular underwater world prove an irresistible draw for people of all ages and interests.

Whether you’re an avid golfer or just love a leisurely game, the Cayman Islands is an excellent place to practice your swing. The gorgeous scenery, beautiful weather and spectacular terrain make your golfing experience exceptional. Grand Cayman boasts two spectacular courses, a nine-hole and an eighteen-hole, both with equally stunning views of the pristine North Sound. Each offer a pro golf shop, equipment rental service and friendly staff making sure everything you need is taken care of. For those who want to improve their swing, private lessons are available from their resident pros.

With perfect sunny days pretty much all year-round, getting rained out is really not a concern for those wanting to hit the links. So for those visitors whose vacation would not be complete without sand traps and water hazards, a trip to the Cayman Islands makes for an unforgettable golf experience.

### **SO EASY TO GET TO. SO HARD TO LEAVE.**

Though it may feel like a world away, Cayman is just a 4 hour, nonstop flight from Toronto – making it the perfect escape for your next holiday. When you arrive, prepare to settle in easily as most hotels are only 15 minutes away from the airport.

## *Pristine surf to pristine turf*

Designed by Greg Norman, the nine-hole course at The Ritz-Carlton Golf Club, Grand Cayman offers challenging play amid breathtaking natural beauty. The course was designed in a way to make its 470-yard-hole play feel like 600, and is perfect for those who want to play one or multiple rounds in a day.

The resort Golf Club also offers a pro shop, Trackman golf simulator tournament conditioning, customised instruction and equipment rental.

#### HOLE 1

Medium length Par 4 with water down the right. The favourable target line is the left side of the fairway for the best angle to the green. This hole typically plays into the wind, which could add 2 to 3 clubs on to your second shot.

#### HOLE 2

558 yard Par 5 playing directly into the wind. Water runs down the entire right side and your drive will need to contend with the fairway bunkers on the left. The best play is to lay up to your favourite yardage for your third shot. Accuracy on your approach to the long and narrow green is a must.

#### HOLE 3

Medium length dogleg left Par 4 with water down the entire left side. The winds will typically blow your ball to the right, which is well protected by fairway bunkers.

#### HOLE 4

205 yard Par 3 over water. This hole typically plays downwind and long and left of the green is well-

bunkered. Three palm trees guard the right side of the green.

#### HOLE 5

Short Par 4 with water down the left side. Your tee shot will need to favour the right side of the fairway for the best angle into this small green.

#### HOLE 6

Short Par 4 that gives golfers the best option for birdie. Errant tee shots to the right will find the fairway bunker and if you go for the green, beware of the water hazard that comes into play short and left of the green.

#### HOLE 7

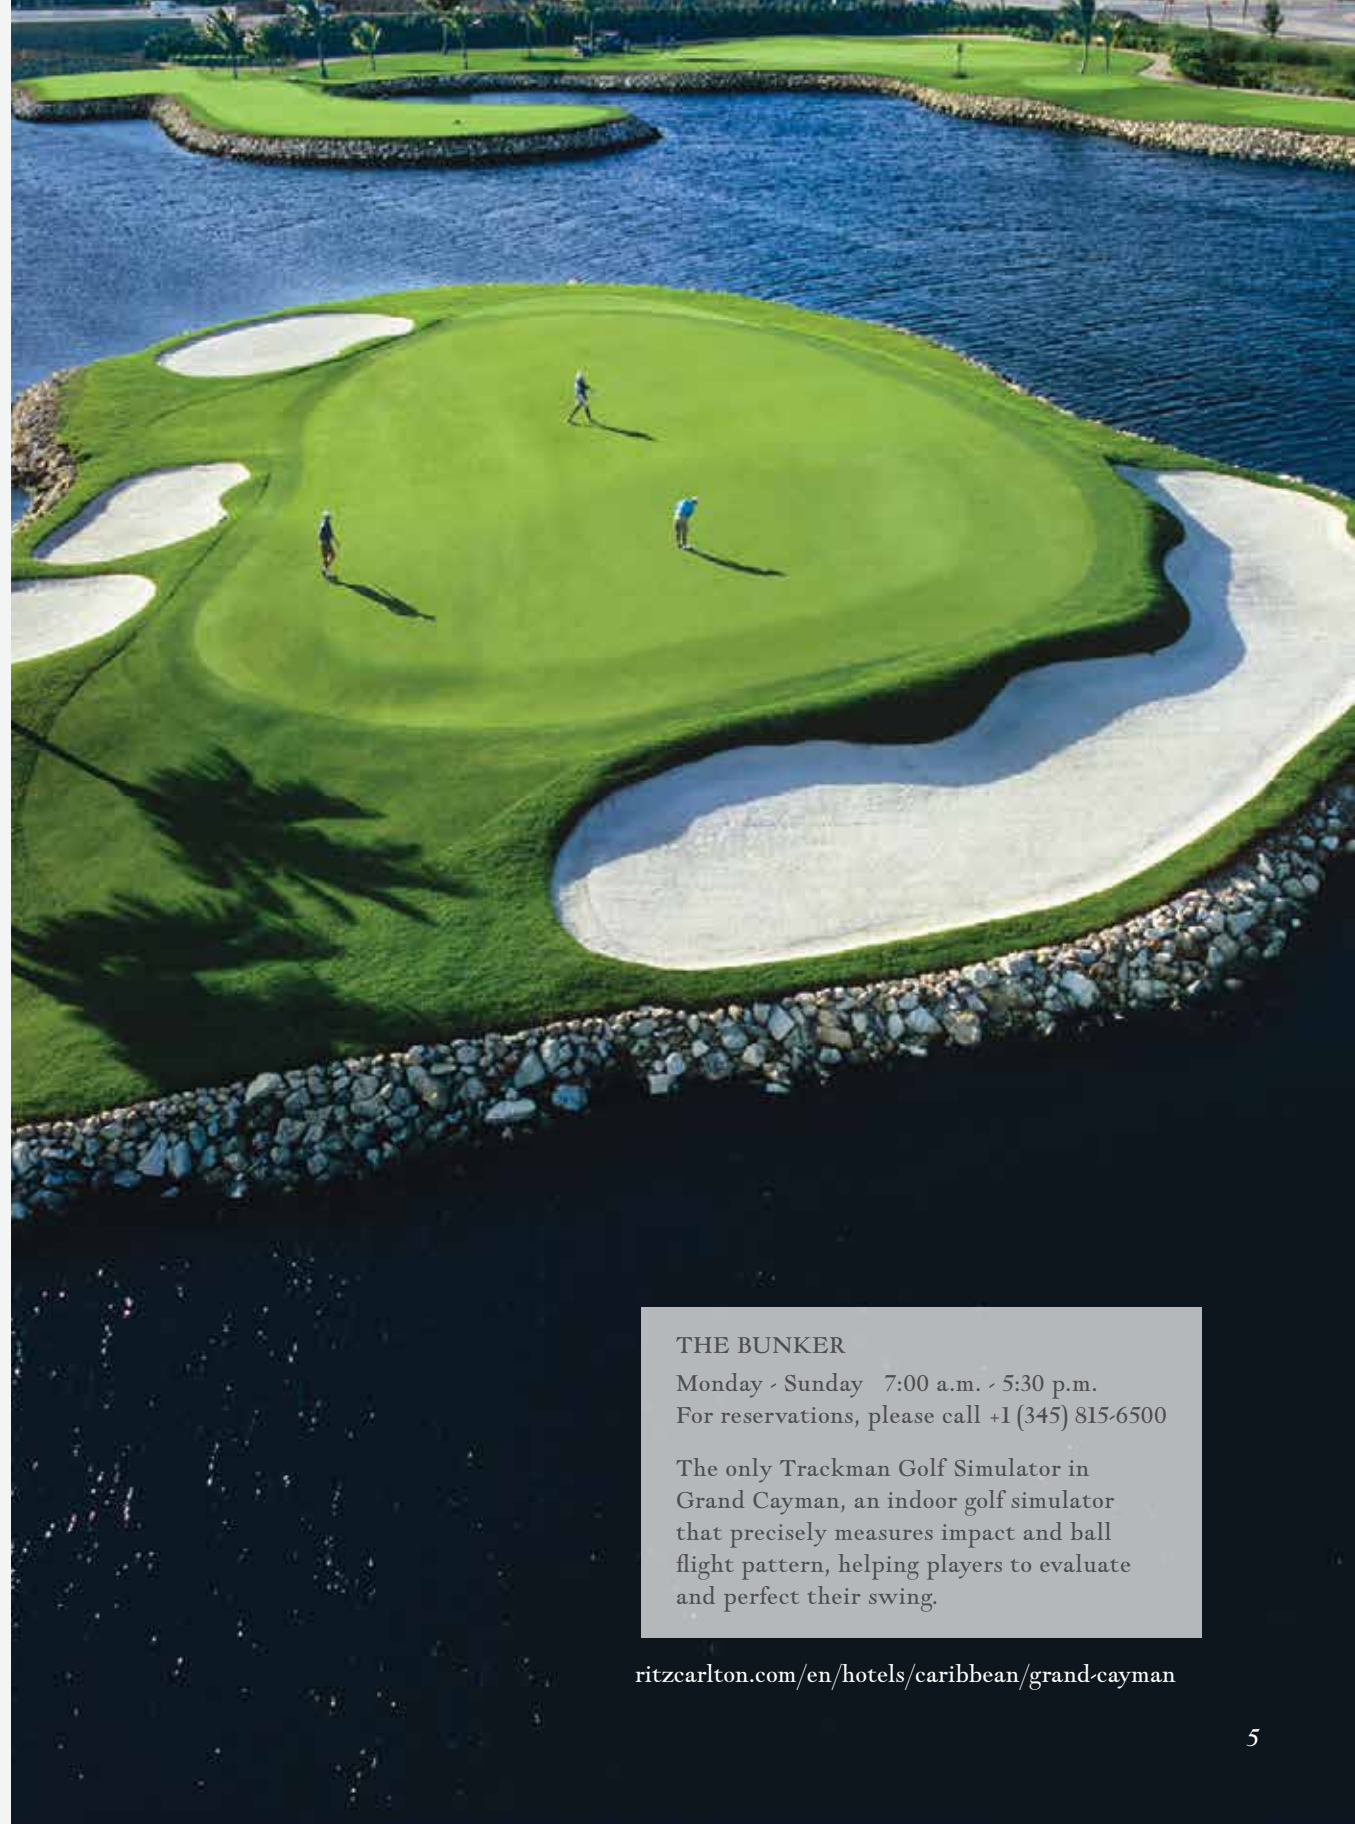

601 yard Par 5 that typically plays downwind. Beware of the massive fairway bunker on the left that will catch a lot of balls from players avoiding the water down the right-hand side. The two-tiered green is receptive to a bump-and-run style shot, but avoid the left side of the green and the large collection area.

#### HOLE 8

Medium length Par 4 with mangrove down the entire left side. The right side of the fairway is well-guarded with fairway bunkers.

#### HOLE 9

Island green Par 3 playing 156 yards from the Championship Tees. Winds on this hole will typically be hurting and from left-to-right. Club selection will be key here as the hole location on this huge green can vary your club selection by 4 or 5 clubs.

#### THE BUNKER

Monday - Sunday 7:00 a.m. - 5:30 p.m.  
For reservations, please call +1 (345) 815-6500

With expansive fairways and greens, our Par 71 course has a championship rating of 73.1 and features 5 sets of tee boxes for all ages and abilities. Our signature 11th hole is known for its length and stunning ocean backdrop. Dotted throughout with lush palm trees, the course is often visited by iguanas and colourful birds. Below are other highlights from our course:

#### HOLE 3

Medium length dogleg left Par 4 (420 yards) with water down the entire left side. The winds will typically blow your ball to the right, which is well protected by fairway bunkers.

#### HOLE 5

Scenic Par 3 (180 yards) over a large pond. Pay close attention to the wind, usually right to left. Take one more club than you think to allow for the wind and to clear the water.

#### HOLE 6

The Par 5 6th features a true risk-reward scenario with a 90 degree dogleg 210 yards from the tee. Decide whether to cut the corner or find a way

through the trees and you'll then be greeted by a 200 to 220 yard shot into the wind to reach the green in two.

#### HOLE 8

Here you'll have to decide whether or not to challenge a pond located 100 yards from the green. A lay-up off the tee offers a longer shot into this Par 4 (380 yards), but avoids the lake.

#### HOLE 9

A great Par 3 (155 yards) to finish the nine, generally the hole plays into the trade winds and can add an extra two or three clubs. Just to add a little more challenge, there is water short and left of the green.

#### HOLE 11

Our Par 3 (205 yards) signature hole plays back towards the North Sound and Rum Point. The wind feels the strongest here and is usually in your face. Don't be embarrassed to hit a driver -lots of us do.

#### HOLE 13

A Par 3 (205 yards) with a pond just short, again this is down wind and can play two clubs shorter, you are best to play for the front of the green as the chip from the back is more difficult.

#### HOLE 18

A 3-shot Par 5 (525 yards) for most, this hole requires a straight drive. Where the hole doglegs around the lake towards the clubhouse, you'll need to decide how much corner to take on.
